EVENT NAME: IPL Auction

EVENT DESCRIPTION:

- The **IPL Auction Simulation Event** is an interactive competition where participants experience how teams are formed during an Indian Premier League auction. Teams will test their cricket knowledge, decision-making ability, and budget management skills. Participants will bid for players using virtual money and build a balanced cricket team. The event focuses on strategy, cricket knowledge, and teamwork.

TEAM DETAILS:

- Each team must consist of **3–4 members**.
- All members must be **registered participants**.
- All members should participate in the **quiz and auction rounds**.
- Teams must follow the **budget rules during the auction**.

EVENT DURATION:

Total Event Time: 1 Hour 30 Minutes

1. Round 1 – Player Knowledge Quiz
   Duration: 20 Minutes
   Participants will answer multiple-choice questions related to IPL players, teams and auction concepts.
2. Round 2 – Mini IPL Auction
   Duration: 50 Minutes
   Teams will participate in a simulated IPL auction using virtual money and build their squad through strategic bidding.
3. Round 3 – Team Strategy Presentation
   Duration: 15–20 Minutes
   Teams will present their final team and explain their strategy, player selection, and budget planning.

4. Break Time:
   Short 2–3 minute breaks may be provided between rounds if necessary

EVENT STRUCTURE:

1. The event consists of **three rounds**.

Round 1: Player Knowledge Quiz

Format:
Participants will answer **multiple-choice questions** related to cricket and IPL.

Topics Covered:

Famous IPL players

Player roles (Batsman, Bowler, All-rounder, Wicketkeeper)

IPL teams and history

IPL auction rules and base price concept

Objective:
To test participants' knowledge of **IPL players and auction concepts**.

Evaluation Criteria:

Each correct answer earns points

Teams with the **highest scores qualify for the next round**

Round 2: Mini IPL Auction

Format:
Teams participate in a **simulated IPL auction using virtual money**.

Procedure:

Each team receives a **fixed budget**

A **player list with base prices** will be provided

Teams must **bid strategically** within their budget

The player will be sold to the **highest bidder**

Objective:
To evaluate **decision-making, budgeting, and auction strategy**.

Evaluation Criteria:

Team balance

Budget utilization

Smart bidding strategy

Round 3: Team Strategy Round

Format:
Teams will present their **final squad and strategy**.

Teams must explain:

Player selection strategy

Budget planning

Strengths of their team combination

Objective:
To evaluate **strategic thinking and communication skills**.

Evaluation Criteria:

Strategy explanation

Team combination

Presentation skills

RULES AND REGULATIONS (Include Evaluation Criteria)

General Rules:

Teams must strictly follow **time limits**.

All teams will receive **equal virtual auction money**.

Participants must maintain **fair play and discipline**.

Devices:

Electronic devices may be used **only if permitted by organizers**.

Fair Play Rules:

No unfair practices during the auction.

Teams must respect **other participants and organizers**.

Any violation of rules will lead to penalties.
